### **SUPPORT YOUR ORGANIZATION!**

The UPEHA Silent Auction has supported the professional organization for years to raise money for several membership expenses and conference costs. The UPEHA Annual Training Conference has become very successful over the years by covering the costs of very worthy speakers on a variety of important issues. As the UPEHA continues to thrive, your support is needed, by participating in the silent auction, by donating items that would be suitable for the auction. Bidding begins the first day of the UPEHA Annual Training Conference. Participants can bring items in as late as the morning of the conference. Bidding for the auction will close during the break on the last day of the conference. If you are interesting in submitting a silent auction item, contact your regional representative. Thanks for your continued support!
