Registered or Non-Registered Environmental Health Specialist

Part-time/full-time opportunity for a Registered or Non-Registered Environmental Health Specialist at Public Health, Delta & Menominee Counties. The employee would be assigned to work from either Escanaba or Menominee or both locations. Assigned work location will be adjusted as needed. Major responsibilities typically include on-site wastewater, water supply, and food service sanitation. B.S. in Environmental Health or related degree required. Send resume, transcripts, and application (found on www.phdm.org) by July 1, 2010, to Sharon Engelsjerd, PHDM, 2920 College Avenue, Escanaba, MI 49829; sengelsjerd@phdm.org; or fax 906-786-7004.
